(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply)

I hereby state that the Office Action mailed August 28, 2006 was not received by me or by anyone else at this office. I hereby attest that we have conducted a search of the file jacket and docket records and that this search indicates that the Office communication was not received. I hereby state that the entire delay in filing the required reply from the due date of the reply until the filing of this petition was unavoidable because we did not receive the Office Action. We only became aware of the Office Action when I received a telephone call from the Examiner after the date upon which the application was considered abandoned inquiring as to whether or not we intended not to file a reply. We then promptly filed this petition.

A copy of the docket record where the non-received Office communication would have been entered had it been received and docketed is attached hereto. In addition, a copy of the log of communications received from the Office in which the non-received Office communication would have been entered had it been received is also attached hereto.

*(Please attach additional sheets if additional space is needed.)*
